Akaroa Day Trip

Nature, Cruise , French Village, Dolphins Fish and chips

Trip Outline

8:30—9am

We'll pick you up from our central meeting point and start heading over to Akaroa.

Depending on numbers we will take you along the scenic route around the summit road looking down Lyttelton Harbour and across the Canterbury Plains to the Southern Alps. From there we follow the shores of Lakes Ellesmere and Forsyth before stopping in Little River for a short break.

The plan is to arrive in Akaroa in time for the Blackcat Harbour Nature Cruise. This is a 2 hour cruise out to the heads. Along the way you will see the dramatic scenery, dolphins, seals and maybe even yellow eyed penguins. After enjoying the cruise you'll be back in Akaroa township and ready for lunch. Akaroa is famous for its fish'n chips. We have ordered those for you so when you get off the boat it is down to the fish'n chip shop and a yummy lunch.

After lunch it is free time to explore the historic town, buy and ice cream and just enjoy the views and sea shore. Maybe even have a swim?

3:00—3:30pm

We will depart Akaroa and head back to Christchurch. We should be dropping you off between 5 and 5:30pm

TOUR INCLUDES: Transport, Guiding, Blackcat Nature Harbour Cruise and Fish'n Chip Lunch with Drinks

Please register directly with Smylies Tours. Email tour@smylies.co.nz We need a minimum of 8 students to run this trip.
